Total storage capacity						327 469 000

Replaced by dam no 69

* Ponds with membrane lining (height 10 m)

** The storage capacity of the dam was increased in February 1998 from 1.220.000 to 1.430.000 m³

*** The storage capacity of the dam was increased in July 1998 from 13.700.000 to 15.500.000 m³
